26 Apr 79

Extract from the Staff Meeting Minutes of 25 April 1979:

Hitz reported on Senator Garn's and former DCI Colby's 24 April appearance on the McNeil-Lehrer Report (WETA TV); discussion centered on the SALT monitoring issue. Hitz noted particularly Senator Garn's comments on potential antenna problems if the U-2 is used UNCC

25X1

It was suggested that Hetu obtain a transcript tape of the program. (Action: DDS&T & D/PA)
